June 1st, 2020 - and
japan could again
descend into political
instability with a
revolving door of prime
ministers leaving it
unable to effectively
manage the increasingly
plex relations with its
gigantic neighbour
north east asia is
still a long way from
seeing the end of
history this is a book
review of ezra f vogel
china and japan facing
history''**history of
china japan relations**

June 5th, 2020 -
friction between china
and japan arose from
the 1870s from japan s
control over the ryukyu
islands rivalry for
political influence in
korea and trade issues
japan having built up a
stable political and
economic system with a
small but well trained
army and navy surprised
the world with its easy
victory over china in
the first sino japanese
war of 1894 95'
