December 28th, 2019 - A prequel to Jeff Smith's epic Bone Rose is the story of Rose and her rise and fall. Charles Vess artwork is breathtaking throughout. I don't know that this story packs as much of a punch as the main series Bone does, given that I know the outcome, but it is still a great companion piece and worth reading if you enjoyed the main series.'

December 11th, 2019 - Bone is an independently published comic book series originally serialized in 55 irregularly released issues from 1991 to 2004. Bone was drawn and written by Jeff Smith. Smith's black and white drawings were inspired by animated cartoons and comic strips, a notable influence being Walt Kelly's Pogo. I was a big fan of Carl Barks and Pogo.
