From revivalist to undertaker New developments in

April 4th, 2020 - This is the second of a two part article which examines the implications of the changing relationship between those who exercise political and State power in Ireland and those who adhere to the minority Irish language culture Building on the analysis in the first article Ó Giollagáin 2014 in relation to the evolution of language policy in the Irish State since independence in 1922 this'
