**November 23rd, 2019 - The Medicinal Chemistry
Symposium 2013 the organisers invite you to the 17th RSC
SCI Medicinal Chemistry Symposium Europe s premier
biennial Medicinal Chemistry event focusing on first
disclosures and new strategies in medicinal chemistry'**

**'Clinical Chemistry Conference Clinical Chemistry
December 14th, 2019 - Dear Colleagues and Friends The 9th
I nternational Conference on Clinical Chemistry and
Laboratory Medicine is the most prestigious and influential
chemistry platform in Asia and is the ideal place to learn
about the latest science network with colleagues and keep
pace with today's rapid developments in clinical chemistry
and medicine research'**

December 22nd, 2019 - Phil was elected a Fellow of the
Royal Society of Chemistry in 2005 he chaired the Medicinal
Chemistry interest group of the Royal Society of Chemistry
for 8 years chaired the organising committee of the
European Federation of Medicinal Chemistry ? International
Symposium on Medicinal Chemistry EFMC ISMC in 2016
and sat on the Executive'**

'Vanadium Science Chemistry Catalysis Materials

December 24th, 2019 - Our latest web collection focussing on
Vanadium Science Chemistry Catalysis Materials Biological and
Medicinal Studies guest edited by Professors Debbie Crans
Dinorah Gambino and Susana Etcheverry contains a selection
of articles from leading researchers working in the area of
vanadium chemistry including participants at the 11th'

'Journals Royal Society

*December 24th, 2019 - Our international peer reviewed journals
publish high quality science and provide an excellent service to
our authors and readers Royal Society Open Science A fast
open journal publishing high quality research across all of
science engineering and mathematics'*

'Symposium History Chemistry

**December 21st, 2019 - In 1990 91 Professor Miller took a
position as a visiting scientist in the Chemistry Division of
the National Science Foundation and from 1992 to 1995 he
served as an NSF program officer In this setting as well his**

experience and advice were of enormous value to young chemistry faculty nationwide who were applying for grants to get their own research careers underway'
