May 26th, 2020 - 8 pluto poor pluto i hope you will get bigger and take revenge on the planets who kicked you out of the gang pluto will always be a planet to me planet or not pluto is super awesome i m sure that the planet is a planet because i m the only one who likes it the only one named after a dog well it is still a planet now so your wele'

'gollum reads 8 little planets thehobbit

May 25th, 2020 - i think the hobbit movies are a little bit underrated i could see if you hadn t read the book if it would seem lackluster pared to the lotr movies but if i remember the hobbit book

doesn't exactly have the most in depth dramatic story arch that the lotr does as tolkien wrote it for his children and it wasn't meant to turn into the middle earth we know now'
