praktica pl nova i from the focal plane to infinity

May 10th, 2020 - the praktica pl nova i also known as praktica nova i was the first camera of the pl nova series it was introduced in the 1967 leipzig fair where it was awarded with a gold medal you could think that this award is quite strange for such a simple camera and it is indeed but remember that pentacon was the only camera manufacturer in the everything state owned east germany'
