punishment without crime***  
May 2nd, 2020 - as professor alexandra natapoff argues in her new book  
punishment without crime how our massive misdemeanor system traps  
the innocent and makes america more unequal the current system for  
adjudicating misdemeanors looks more like a criminal processing system  
meant to generate revenue than a criminal justice system meant to  
generate fairness instead of due process in the form of vigorous
